## 3.4 Stand up India

This enterprise may be in manufacturing, services or the trading sector.

To implement and monitor the progress under the scheme, an interactive portal (**www.standupmitra.in**) is also launched by the Govt. of India.

Progress under Stand-Up India (As of 31.12.2020) in District of Silvassa, Daman & Diu is as under:

| District | No of Account | Amount Sanctioned (In |
|----------|---------------|-----------------------|
|          | (Sanctioned)  | Lakhs)                |

| Diu              | 1  | 20      |

- DIC, Banks, NABARD and SIDBI have to organize the seminar / workshop / town hall meeting to impart more awareness of the scheme in the UT.
- Display of Banner / Poster showing the salient features of the scheme at Branch / ATM premises.
- DIC / NABARD / SIDBI may give advertisements through newspaper or local media to make wide publicity of the scheme.
- SC / ST welfare and Women development department may take lead to generate good number of application under the Scheme.
- Review the bank wise performance thoroughly during the DLCC meeting and instruct the lagging banks to improve upon the performance.

It has been observed, number of beneficiaries under the scheme from Housing Finance Cos. far exceeds from Public Sector Banks, Private Sector Banks, Small Finance Banks altogether. Hence,

Banks need to ensure that all eligible housing loan borrowers are extended benefits of the scheme. Banks are also advised to carry out publicity of the scheme at Branch / ATM premises and organising a work shop with real estate developers to create awareness of the scheme.

Ministry of Housing and Urban Affairs, Govt. of India vide notification dated 12th June, 2018 has enhanced carpet area in MIG I category from "up to 120 square meter" to "up to 160 square meter" and in MIG II category from "up to 150 square meter" to "up to 200 square meter". The enhancement in carpet area will be effective from the date the CLSS for MIG had become effective i.e. 01.01.2017 and hence this enhancement in carpet area will enable more number of borrowers to take benefit of the scheme.

Important to note that the PMAY CLSS Scheme covers two income segment under MIG viz. annual house hold income between Rs 6 lakhs to 12 lakhs and Rs 12 lakhs to 18 lakhs per annum. As Housing being basic need of an individual and income criteria of the scheme being so wide, a large section of Housing loan borrowers could be extended benefits of the PMAY-CLSS scheme.

Controlling Head of Banks are requested to take up the matter with their respective Head Office/ Corporate office, so as to effectuate necessary changes in the CBS system of their Banks, for aligning the Housing loan details of the customer with PMAY CLSS claim format, so that claim data for the PMAY CLSS scheme could be directly be fetched from the CBS of Banks, which would ultimately improve number of beneficiaries under the scheme. Also follow up with NHB for receipt of subsidy at earliest in all eligible cases.
