3.6 Pradhan Mantri Awas Yojana – Credit Linked Subsidy Scheme

“Pradhan Mantri Awas Yojana (PMAY)” was launched on 17th June, 2015 by Govt. of India, with an aim to make the mission “Housing for All by 2022”, a big success. National Housing Bank (NHB) and Housing and Urban Development Corporation Limited (HUDCO) have been identified as Central Nodal Agencies (CNA) for the implementation of the CLSS Scheme through Primary Lending Institutions (PLIs).

The salient features of the Credit Linked Subsidy Scheme (CLSS) are as under;

- **Beneficiary Family** –Economically Weaker Section (EWS – Household income of up to Rs.3.00 lakh) and Low Income Group (LIG - Household income of above Rs. 3.00 lakh and up to Rs.6.00 lakh) family not owning a pucca house in the name of the any of the family members in any part of India.
- **Geographical Coverage** – All 4041 statutory towns as per Census 2011. Further, vide circular dated 9th November 2015, Ministry of Housing and Urban Poverty Alleviation, Government of India has notified that States/UTs will have the flexibility to include in the Mission, the Planning Area as notified with respect to the Statutory town and which surrounds the concerned municipal area.

- House should be in the name of female head of the house, including joint name with male head.
- Interest subsidy eligibility at the rate of 6.50% for a maximum tenure of 20 years for loan amount up to Rs. 6 lakh. The subsidy amount is Approximate Rs 2.20 lakh.
- Carpet area of the house/flat is up to 30 sq. m. for EWS and 60 sq. m. for LIG.
- Carpet area of the house/flat is up to 160 Sq. Mtr. for MIG-I and 200 Sq. Mtr. for MIG-II.

Moreover, Indian Banks' Association (IBA) has devised simplified Loan Application Form and other documents for the use of PLIs which is also adopted by many Banks.

Group	Eligibility (Income)	Subsidy Rate	Tenure (Year)	Dwelling Unit Carpet Size (Sq. Mtr.)
EWS	Up to 3,00,000	6.50%	20	30
LIG	Up to 6,00,000	6.50%	20	60
MIG-I	Up to 12,00,000	4.00%	20	160

UT	1453	3599.85	1441	3620.84	831	2051.36	610	1569.57

It has been observed, number of beneficiaries under the scheme from Housing Finance Cos. far exceeds from Public Sector Banks, Private Sector Banks, Small Finance Banks altogether. Hence, Banks need to ensure that all eligible housing loan borrowers are extended benefits of the scheme. Banks are also advised to carry out publicity of the scheme at Branch / ATM premises and organising a work shop with real estate developers to create awareness of the scheme.

Ministry of Housing and Urban Affairs, Govt. of India vide notification dated 12th June, 2018 has enhanced carpet area in MIG I category from "up to 120 square meter" to "up to 160 square meter" and in MIG II category from "up to 150 square meter" to "up to 200 square meter". The enhancement in carpet area will be effective from the date the CLSS for MIG had become effective i.e. 01.01.2017 and hence this enhancement in carpet area will enable more number of borrowers to take benefit of the scheme.

Important to note that the PMAY CLSS Scheme covers two income segment under MIG viz. annual house hold income between Rs 6 lakhs to 12 lakhs and Rs 12 lakhs to 18 lakhs per annum. As Housing being basic need of an individual and income criteria of the scheme being so wide, a large section of Housing loan borrowers could be extended benefits of the PMAY-CLSS scheme.

Controlling Head of Banks are requested to take up the matter with their respective Head Office/ Corporate office, so as to effectuate necessary changes in the CBS system of their Banks, for aligning the Housing loan details of the customer with

PMAY CLSS claim format, so that claim data for the PMAY CLSS scheme could be directly be fetched from the CBS of Banks, which would ultimately improve number of beneficiaries under the scheme. Also follow up with NHB for receipt of subsidy at earliest in all eligible cases.
